Happy spooky season MZ!!!

It's Miss Miranda's birthday this weekend on October 6th! Let's all wish her a Happy Birthday this week.

HALLOWEEN PARTY!

The most exciting thing coming up is the return of our HUGE Halloween party! The party will be on Saturday night October 19th at 7pm. This is also a student choreography showcase where the students get the opportunity to Choreograph and perform their own spooky dances or circus acts. We will have about 5 acts planned for you plus some of our staff will be performing as well! **If your dancer would like to make up their own dance. (solo or group) for the Halloween party. the sign up sheet is on the wall in the lobby of studio A.**

This is also a costume dance party for all ages! We will have homemade treats and libations for adults. This will be a donations and cash tips kind of party/fundraiser! It's a great party to dance with your kids and make some great memories. Don't miss it!

Halloween Week!

Halloween week will start Thursday October 24th through the 30th. The kids can all wear their Halloween costumes (or old dance costumes) to their dance classes and trick or treat at the end of class with a dance party.

We encourage everyone to bring some candy treats to share, (keep in mind we have a lot of vegan students.) We will be giving out prizes for the top 3 best costumes of the whole studio and we can't wait to see them all dressed up!

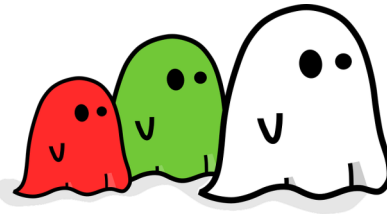

We will be closed on Halloween

Reminder- You can always make up any missed classes by attending another class for your child's age group.

We are finalizing what your child will need for costumes for the January show right now. We will put up a list with all the details and links on the website in a few weeks. We keep prices lower for the January show and utilize websites like Amazon for quick shipping and ease. I will have to order nutcracker costumes for Ballet students, but I will to to get them as inexpensive as I can.

Save the date for **Sunday at 1:00 on November 24th**

for our "Festival of the Trees" performance at the Long Center. Select dance classes will be asked to perform that are ready. Stay tuned to see if your child's class will be performing.

In November we will start learning our Holiday parade routine for the Dunedin Holiday Parade. This year's theme is the A Christmas Carol!
